Progress is being made in the Pack. Since our last report, 2 Cubs have passed their 1st Stars and 2 their Collectors Proficiency Badges. All others are working hard and showing keen interest which we find most encouraging.

Saturday 15th July both Packs were taken to Glenroy where they played football against 2nd Glenroy and 9th Essendon. A most enjoyable afternoon spoilt only by the train delay which meant we arrived home later than was anticipated.

Akela of 2nd Glenroy told us of a fete they were having on the 29th and asked us to come along. As we were worried at the thought of controlling both Packs on an outing such as this, Mr. Stafford kindly offered to assist us, and we all had an enjoyable time with some of us arriving home better off than when we left.

EQUIPMENT

Tuesday 25th Mr. Small brought up the basketball that we were wanting. It was hailed with great delight, and Mrs. Stafford who was at the meeting saw their reaction.

The knotting rope which Skipper has given the Pack is one of the best yet seen, as all knots can be done on

the one rope.

Up-to-date nothing has been heard from Headquarters and on checking the colours for the scarf, found that it is not possible for us to have Black, Red and Yellow but we can have Black, Red and Gold.

Any Parents wishing to visit the Pack may do so whenever they want to, as we will be only too pleased to see them and will be able to find plenty for them to do.
