

CUE PACK REPORT

2nd May, 1951

Though the Pack has not had its regular outings, we attended the Anzac Day Service at Queen's Park with an average attendance of Cubs. We were taken down by Mr. Sell, which the Cubs highly enjoyed. After the Service, the Pack went for the remainder of the day to the Caves.

Pikki took the Pack out on Saturday 28th April.

Sunday 29th Skipper took a few members of the Pack to the Founders Day Service.

It has now been decided to meet on Saturday mornings and the Pack's first meeting will be on 5th May.

On behalf of those of the Pack I wish to thank the Committee for firstly obtaining the room at the Course and then getting permission for us to use the School sheds and grounds.

Due to rules as per P.O.&R. it will not be possible for the Pack to go camping as I have not the necessary qualifications.
