

CUB PACK REPORT

6th September, 1950.

Things have been very quiet with Pack, having only one outing for the month, which was a kite flying competition. Both Packs met at St. Aidan's Hall with their lunches and kites and we went for the day behind the aerodrome. Unfortunately the day was not a windy one but we all had a happy day and Graeme Small won the contest, much to our joy.

Last night (Tuesday 5th September) the Pack had a visitor, The Group Scoutmaster from the 2nd Jesselton Troop of British North Borneo. As we hope he will be able to visit us again he was given the name of Baloo. He was welcomed on behalf of the Pack by John Jeffrey and at the finish of the meeting Barry Fraser thanked him for coming.

Attached is the docket for the Log Book. Also Mrs. Anderson has procured the articles for the First-Aid outfit amounting to 13/- and we would appreciate suggestions as to what would be the best way of carrying it.

Bangley
CUBMASTER.
